 - Shootings in every neighborhood – between cars
 - Call in shots fired and note direction of travel.
 - Scammers come to town with warmer weather; they distract a resident so another person can get into the house and steal things.

- **Carol Kneedler, Chair, Springfield Inner City Older Neighborhoods**
 - Neighborhood Plans are part of comprehensive plan. Be thinking about what would make Iles Park a better place to live (ice cream shop, grocery store, etc.)
 - Turn in problem properties – ICON will complain & track for us.
 - 1604 S 7th – Apple Orchard Appts – garbage around dumpster
 - Yard waste new plan should be better – fewer yard waste bags in the street.
