

## Iles Park Neighborhood Association

### Letter from the President, Michelle Coffin

Thanks to everyone for all their hard work on National Night Out. It was a success with great participation, and thanks to several donations we were able to cover all the costs for the event. You may not realize we depend on volunteers of time and money to produce this event. We get no monetary support from any other resources so we truly appreciate everyone pulling together.

We do have member dues of \$10 per year, which helps with the cost of these events and so much more.

Please don't feel like you cannot attend any meetings or that your opinion doesn't matter because you have not paid dues - YOU matter regardless of dues.

Several of our donors this year were:

- Restoration Church – Pastor Joe and Stephanie Stone - provided all the Food and water for this year's event! Very generous!
- Springfield Park District - waived the rental fee for Iles park for the event.
- Friends of DiCenso - monetary donation
- O3 Consulting, Inc - monetary donation
- Harvard Park Neighborhood Association - providing the Balloon person and Face painters

We could not have done it without everyone pulling together!

### October Meeting

Neighborhood Association elections will be held at our October meeting - Monday October 10, 2022 - Iles Park Pavilion 6 pm. Feel free to nominate a good neighbor for any of the offices: President, Vice President, Secretary or Treasurer.

We will have no meetings from November 2022 thru March 2023.

Look for updates on our FB page, website, email and on NextDoor for meetings for next year once we have the dates set for sure - always the 2nd Monday of the month (except for winter months).

### What can you do besides attend meetings?

- Pick up litter
- Recycle
- Report street lights that are not working to City Water Light and Power.
- Keep yards mowed
- Watch for nefarious activity and call it into the police - if they aren't called... it didn't happen.

Thank you all and remember we need to look out for each other to keep Iles Park Neighborhood a nice place to live.

Be kind and supportive of each other.

Michelle Coffin

Iles Park Neighborhood Association - President
